Dear _____:

This October, the Mother of Christ parish will be celebrating its 9th annual parish festival, known as the **Harvest Festival**. We want to take this opportunity to not only celebrate and thank our parishioners, but also to raise awareness about the on going needs of our parish.

I would like to take this opportunity to thank you for taking your time and effort to consider our petition for contributing to the growth of our School. At present, our school is an on-going project of love and dedication to the children of our community. Our School serves children from Kindergarten to eighth grade.

The need is so great that our plans for expansion have had to be expedited and we are reaching out to our generous community to help us in these future endeavors. As it is right now, and in order to provide the spiritual support to our community, both the School and the Learning Center are being used for other purposes such as CCD classrooms, ministry meeting halls, evening and Sunday child care services, retreat house and dormitories. Most of these services are free of charge or of little cost to the participants, with the knowledge that "God in Our Lives" is the essence of it all.

Once again, thank you for your consideration and your generosity. I know that Our Lord will reward you with all the blessing you so rightfully deserve. If you should have any questions, please feel free to call me at 305.559.6111.

May God Bless You,

Father Raúl Angulo
